## BULK LANDSCAPE SCOOPS & FIREWOOD DELIVERY

We sell bulk landscape products and firewood by the scoop, there's approximately three scoops per cubic metre.

Orders placed online are loaded on site at your local Nichol's store and delivered by a Nichol's team member or a local subcontractor.

Delivery is available for all addresses within a 60km radius of each Nichol's store. If you're unsure whether your address falls within this radius please give us a call.

7-day delivery service is provided. Order today and we'll deliver within 72 hours to the address specified.

Delivery fees apply – check the guide here.

No minimum scoop order required, maximum scoop numbers set

Gravels, stones and top soil = 6 scoop maximum.

Composts and garden mixes = 10 scoop maximum.

Firewood, barks, woodchips and mulches = 12 scoop maximum.

## CONDITIONS:

Firewood orders can be mixed and will be delivered in one load, mixing should be expected. Maximum of 12 scoops.

Landscape products can not be mixed. Ordering two types of landscape products will incur two delivery fees if ordered online. Please contact us directly to discuss mixed delivery options.

Deliveries are made by tipper truck and offloaded in one easy-to-access location. Steep/narrow driveways and powerlines must be taken into consideration when specifying your drop-off area.

Wood stacking and moving landscaping product into place is not included in the delivery fee sorry!

Bulk landscape products are also sold by the bag for your

Got a specific delivery time in mind? Please contact us directly.
