### **Welcome to Nichol's Rose Catalogue 2024**

We are excited to offer some new rose varieties this year plus many of your favourites are back, we hope you can find something new to add to your collections.

Standard Rose varieties are limited in range and we apologise in advance that we can't take orders for varieties not listed in our Catalogue.

We take great care to present our roses in good health with regular pest and disease control. We also top up nutrition throughout the season to keep them looking good.

We expect Roses to be in store from June with all varieties listed to be available by Mid July.
